SUBJECT: BELGIANS OPEN TO UNSCR ON FDLR, BUT HAVE QUESTIONS
ON TIMING, TACTICS

REF: STATE 16186

(SBU) The Belgian MFA leadership believes the proposed FDLR resolution will serve a useful purpose. That said, the Belgians believe much further discussion is needed regarding the appropriate vehicle for putting the idea forward, and for determining when best to do so. Officers at the Belgian Mission in New York have received instructions to work closely on this issue with the US and, in particular, with European members of the Security Council. Fox
